DR. TOWNSEND'S SARSAPARILLA.

WONDER AND BLESSING OF THE AGE. The most extraordinary Medicine in the World!! This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.

THE great beauty and superiority of this Sarsaparilla over all other medicines is, that while it stadicates the disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system, and strengthens the person, but it creates a new, pure, and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered bucurable. It has saved the lives of more than 5,000 chil-

10,000 CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY. Dr. Townsend's Sarsaparilla invigorates the whole system perma neutly. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of undution, tainting sensations, premature decay and decline, ha-tenining towards that istal disease. Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

dren during the two past seasons.

INVIGORATING CORDIAL. As it renews and invigorates the system, gives activity to the timbs, and strength to the muscular system in a most extenordinary degree. CONSUMPLION CURED. Cleanse and Strengthen Consumption can be cared. > SPITTING BLOOD. New York, April 28, 1947.

Dr. Towssesp-I verily believe that your Sarsopariils has been the means, through Playidence, of saving my life. I have for several years had a ted Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced and did not expect to live. I have only used your Sar-aparilla a short time, and tacre has a wonderful change. been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedasst servant.

W + RUSSELL, 65 Catharine-st. RHEUMATI-M.

This is only one of more than four thousand cases of Rheamatiem. that Dr. Townsend's Sarsaparilla hascufed. The most severe and chronic cases are weekly eradicated by its extraordinary victues. James Cummings, E-q., one of the assistants in the Lamatic Asylum, Blackweil's Island, is the gentleman spoken of in the following

Blackwell's Island, Sept. 14, 1847. Dr. Townsend-Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better-indeed, I am entirely relieved. You are at lib erty to use this for the benefit of the afflicted.

JAMES CUMMINGS. FEVER AND AGUE. Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of hundreds that we have received from the South and West of like character. Osmogo, Mich., Oct 22, 1847. Dr. Townsend: Dear Sir :- I purchased for my wife two bottles of Sarsaparilla of your Agent, Mr. McNair, of Kalamazoo, to try it for the Fever and Acue. Before I had finished the first bottle, it an peared to warm the blood, and every other day, when the Chills and Fever appeared, they were less violent, and before she had finished the bottle she was entirely relieved, and she was much better than she had been before she took the Ague. A lady that had been very

sick with the Chills and Fever, but had broke them with Quinine

and was left in a very weak and distressing state, and troubled ex-

ceedingly with the Ague Cake, seeing the effect that it had on my

wife, she sent and procured a few bottles, and it restored her in a few

weeks to complete health. Your sarsaparilla is without doubt unequalled in diseases incident to the West, and if you think that this communication will be of use, you are at liberty to use it as you Yours, respectfully. CHARLES H. SWAIN. CANKER IN THE MOUTH. Below is an account of another child saved. Dr. Townsend's sarsaparilla has saved the lives of thousands of children. The follows

ing two certificates are selected from a great number received this New York, April 1, 1847 Dr. Townsend: Dear Sir-One of my children was very sick with a Canker in the Mouth and Throat, attended with great debility. It came near dying. I obtained some of your excellent medicine, and it cured it directly, for which I assure you I feel very grateful.

ELIZABETH FOWLER, 27 Desbrosses-st. FITS! FITS!! FITS!!! Dr. Townsend, not having tested his sarsaparilia in cases of Fus, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Parmer in Westchester Fordham August 13, 1847.

Dr. Townsend-Dear Sir. I have a little girl seven years of age who has been several years afflicted with Fits, we tried almost every thing for her, but without success; at last, although we could find no ecommendation in our circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your sarsaparilla, and are very glad we did, for it not only restored her strength, but she had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel Yours, respectfully, JOHN BUTLER, Jr.

FEMALE MEDICINE. Dr. Townsend's Sarsaparitla is a sovereign and speedy cure for In cipient Consumption, Barrenness, Prospasus Uteri, or Palling of the Womb, Costiveness, Piles, Leucorrhon, or Whites, obstructed or difficult Menstruction, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system-no matter whether the result of inherent cause or causes produced by irregularity, illness or accident. Nothing be more surprising than its invigorating effects on the human frame. Per sons all weakness and lassis tude, from taking it at ouce become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of

cases have been reported to us. Thousands of cases where families

ve been without children, after using a few bottles of this invaluble medicine, have been blessed with fine healthy offspring TO MOTHERS AND MARRIED LADIES This Extract of Sarsaparilla bas been expressly prepared in refer nce to female complaints. No female a ho has reason to suppose she approaching that critical period, "The turn of life," should neglect o take it, as it is a certain preventive for any of the numerous and horible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating he system. Indeed, this mentione is invaluable for all the delicate iseases to which women are subject.

It braces the whole system, renews permanently the natural energies, by removing the imparitles of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be preventes

GREAT BLESSING TO MOTHERS AND CHILDREN. It is the safest and most effectual medicine for purifying the system and relieving the sufferings attendant upon child birth ever discovered. It strengthens both the mother and colid, prevents pain and disease, increases and enriches the food, there who have used it think it is indispensable. It is highly useful both before and after confinement, no it prevents discuses attendant apon childbirth-in costiveness, piles, cramps, swelling of the feet, despond my, heartburn, veniting, prin in the back and loins, false pains, hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia, is useful. Exercise in the open r, and light food with this medicine, will always ensure a safe and easy confinement

NOTICE TO THE LADIES.

Those that imitate Dr. Townsend's Sarsaparilla have invariably alled their stuff a great remedy for Females, &c. &c., and have copied our hills and circulars which relates to the complaints of womenword for word-other men who put up medicine, have, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to lemales, recommended theirs, although previously they did not. A number of these mixtures, pills, &c., are injurious to females, as they aggravate disease, and undermine the constitution. SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented. THREE CHILDREN Dr. Townsend-Dear Sir: I have the pleasure to inform you that ree of my children have been cured of the scrofula by the use of

res; have taken only four bottles; it took them away, for which I feel myrelf under great obligation. Yours, respectfully, ISAAC W. CRANE, 106 Wooster-st. OPINIONS OF PHYSICIANS.
